

ALEXANDER LIEVENS PROJECT DESIGNER

EDUCATION

Syracuse University School of Architecture
Bachelor of Architecture, 2016

BIOGRAPHY

Prior to graduating from architecture school and joining JZA+D as a project designer, Alex Lievens held architectural internships in Belgium and Italy. In Europe, he supported multiple architects and projects with a diversity of programmatic concerns, including public housing, residential and mixed-use projects. Alex is adept in model making, freehand perspective drawing, and many artistic media.
