

BENJAMIN GRACE, R.A. PROJECT ARCHITECT

EDUCATION

Syracuse University School of Architecture
Master of Architecture, 2010
Providence College
Bachelor of Arts in Mathematics, 2005

BIOGRAPHY

As a registered architect overseeing all phases of the design process, Benjamin Grace consistently demonstrates competence and capability to manage design projects of many types. He has experience with higher education, retail, commercial, and urban park projects. Prior to joining the JZA+D team, Ben worked at William Stack Architects in Massachusetts as a Junior Architectural Designer.
