

**JOSHUA B. ZINDER | PRINCIPAL**  
AIA | NCARB | LEED<sup>AP</sup>

With an architectural career that spans more than 25 years, Joshua Zinder is the founding principal of JZA+D. His professional experience encompasses a broad variety of building types, which he coordinates from programming through design, contract documents, and construction administration. Prior to establishing JZA+D, Joshua was an Associate at Michael Graves & Associates, and a Project Manager at Peter Gisolfi Associates. He oversees staffing, interface with government agencies, coordination with consultants, and liaison between owners and contractors. Joshua's design sense blends a commitment to traditional materials with an understanding of appropriate design, allowing every project to reflect its own purpose, place and context.

REGISTRATION: Registered Architect in NJ, NY, NV, FL, TX, and PA.
