

TAYLOR KINSEY PROJECT DESIGNER

EDUCATION

Syracuse University School of Architecture
Bachelor of Architecture, 2016

BIOGRAPHY

Taylor Kinsey was a Dean's List student at Syracuse University, where she participated in the university's noted program to study architecture abroad in Florence, Italy. While earning her B. Arch. degree, she was a student leader, attending the Emerging Student Leaders Conference, and serving as a Peer Advisor and student liaison. Taylor gained practical experience in internships at two New Jersey firms during breaks from architecture school. Her skills and energetic approach to work make her a valued project team member at JZA+D.
